Cafeteria

Materials Needed: None

Time: 15 minutes

Objective: Students will be able to use the cafeteria keeping an appropriate noise level, manners, cleanliness, and respectfulness, etc.

Teachers should escort all classes through cafeteria line, even if you do not have café duty, you are still on the clock! This is not break time! They are your responsibility.

Discuss and Model Positive Examples:

- Walk through the line (voice level 1, whisper voice) with appropriate manners
- Appropriately enter number at the check-out counter
- Use table manners using voice level 2 to your neighbor, only!
- Raise your hand if you need something (get materials needed to eat before sitting)
- Clean up your eating area, leave the space nice for the next person

Discuss and Model Negative Examples:

- Throwing food, yelling, walking around cafeteria without permission, sit down without eating utensils, grabbing food off other trays, (remember you are on camera) etc.

Practice the above lesson correctly with students.
