

Licking Elementary
Behavior Bootcamp Lesson Plan

Technology Use

Materials Needed: Computer/Tech. Device, Computer Cart (possibly), example lesson such as a specific website/software location

Time: 15-20 minutes

Objective: Students will be able to use district technology safely and securely. Keeping students safe and handling district equipment appropriately.

Discuss and Model Positive Examples:

- Follow all directions given to you by district employees
- Students only have permission to utilize district technology for the purposes of the lesson and permissions given to the student by instructor.
 - ONLY USE COMPUTER FOR WHAT YOUR TEACHER ALLOWS
- When carrying laptops to/from computer cart, hold with two hands, wait your turn, plug in your laptop for later use
- If your computer is not effectively working, raise hand and ask for help
- If an inappropriate topic is visible on computer screen, close the computer/shut off the screen and raise your hand for help from a teacher. (Remember that all locations viewed on district equipment reports back to office)

Discuss and Model Negative Examples:

- Using other apps/software/websites other than what is permissible at the time, handling laptop incorrectly while in transport (one handed, etc.), damaging equipment, hiding/looking up inappropriate material, etc.

Practice the above lesson correctly with students. Any examples of inability to follow the above directions will result in 30-day loss of privilege
